Some of last week's activity.....

Over the weekend officers from your Community Policing Team have been patrolling our more rural locations. They conducted some speed checks in #Wormingford whereby we spoke to motorists driving through the village. On this occasion no enforcement action was required. The team then conducted some disruption foot patrols in #Tiptree speaking to local residents and businesses that were open giving them the opportunity to discuss any current issues.

Our recent Christmas giving tree appeal saw us receive somewhere in excess of 5000 Christmas presents for vulnerable children this Christmas.

Many of these presents were delivered to the station and we ended up with a LOT of empty delivery Boxes.

Pc Morgan who previously worked at Colchester Zoo came in to the station on his day off ,collected all the boxes and arranged for the Zoo to take them off our hand for the Animals to Play with and to have them wrapped up as Christmas presents for some of the Animals . Turns out some of the Animals like to open presents on Christmas Morning.

When Volunteer Special Inspectors Barnham and Ferraro heard about this they practically begged us to let them take the boxes to the Zoo. Against our better Judgment we allowed them to "HELP US OUT" but with very specific instructions to not have any Fun and under no circumstances were they to see any animals..... Much like my Children they promptly ignored me and the following photos are a result of their visit!
