

**UPDATE: Important roadworks information**

Dear Sir/Madam

**A120 Marks Farm to Marks Tey: resurfacing**

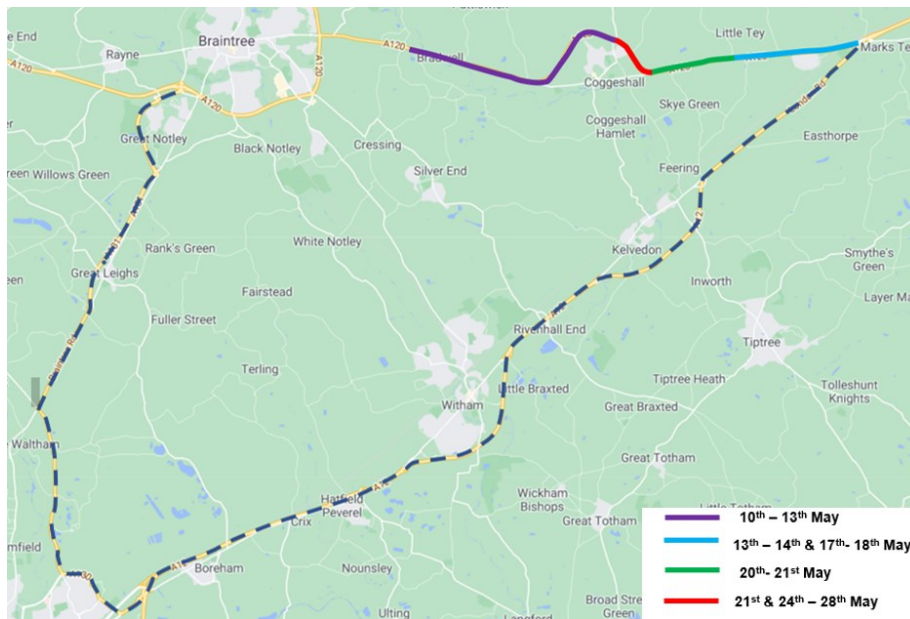

I write to inform you that we'll be carrying out essential resurfacing at the above location. During this work, we'll also renew faded road markings and replace damaged road studs. Please see attached table of work that was left off the previous e-mail detailing closures and diversions.

We plan to complete this work over **3 weeks** from **Monday 10 May** to **Thursday 27 May**, working between the hours of **9pm to 6am**, subject to weather conditions.

Due to the amount of work on this scheme, we've split the project into four phases. To deliver this work safely, we will require some closures. For more information about the location and dates of these closures please see the enclosed table.

We've closely liaised with the local authority to agree the most suitable diversion route, this will remain the same for each phase of the work. Also included is a diversion map, which shows the location of each closure and the agreed diversion route.

**Diversion Map**
