The projects, which will be part funded by grants from Enover Community Trust, the North East Essex Hyperlocal Fund and the Community Initiatives Fund, will see the play equipment completely updated including a climbing tower, aerial runway, swings, roundabouts and seesaws as well as new seating and surfacing.

"We are delighted to work alongside Enover, Hyperlocal and CIF to deliver these much-needed improvements. " said Donna Tristram, Clerk to Stanway Parish Council. "This new equipment will be enjoyed by the children and families in the local area, providing a fun play space for years to come."
