Annual Governance and Accountability Return 2019-20 Addendum – Coronavirus Emergency Regulation changes

The Accounts and Audit (Coronavirus) (Amendment) Regulations 2020

Owing to the increasing impact of COVID19 MHCLG has made amended Regulations which **extend the statutory audit deadlines for 2019-20** only for all Category 2 smaller authorities (town and parish councils, parish meetings, internal drainage boards and other authorities).

- The requirement for the public inspection period to include the **first 10 working days of July has been removed**
- Instead, smaller authorities must commence the public inspection period **on or before 1 September 2020**
- The AGAR must be approved and published by **31 August 2020 at the latest** or may be approved earlier, wherever possible.

This means that the period for the exercise of public rights can now be held any time after the approval of the accounts and AGAR as long as it is commenced on 1 September at the latest.

Authorities should publish the dates of their public inspection period. If this is significantly earlier or later than in previous years they should inform the public through their websites (where available) of the reasons why they are departing from normal practice for 2020.

- The publication date for final, audited, accounts will move from **30 September to 30 November 2020** for all local authorities.

This is the date by which the Part 3 AGAR Sections 1, 2 and 3 including the completed External Auditor Report and Certificate must be published.

This does not apply to an authority that has certified itself as exempt and submitted a Certificate of Exemption to the external auditor.

The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020

In relation to the meetings needed to approve the accounts and AGAR, MHCLG has made separate Regulations to enable meetings to be held remotely, and to hold and alter the frequency and occurrence of meetings without the need for further notice.

The provisions for remote meetings apply to all authorities **EXCEPT** Parish Meetings who must hold a public meeting and approve the AGAR before 31 August.

Separate changes to allow remote meetings apply to Internal Drainage Boards.

NOTICE— these published accounts are in DRAFT form and are now in process of being audited. The first stage is the Internal Audit, an ongoing process, but which is summarised in the year-end report. The Internal Auditor then has to complete the relevant section of the Annual Governance and Accounting Return (AGAR). Both reports are then reviewed and accepted by the Full Council at its Annual General Meeting before being sent, with further supporting documents, to the External Auditor. In the interim, a period of public rights to view the accounts will be advertised. Once the whole process is completed, the full set of documents is published as a “Conclusion of Audit” report.

Diana Linn Parish Clerk & RFO 21st May 2020

Internal Audit Report Year ending: 31st March 2020

Introductory Comment from the Internal Auditor

The Council has benefited from a period of stability with a capable Clerk, as evidenced by this report.

Owing to the outbreak of the COVID19 pandemic, the conclusion of the 2019/20 internal audit was conducted remotely, however there is nothing to suggest that the proper practices observed during previous visits to the Council were not being followed during March.

Internal Audit Objectives and Responsibilities

The primary objective of Internal Audit is to review, appraise and report upon the adequacy of internal control systems operating throughout the council, and to achieve this will adopt a predominantly systems-based approach to audit.

The council's internal control system comprises the whole network of systems established within the council to provide reasonable assurance that the council's objectives will be achieved, with reference to:

- The effectiveness of operations
- The economic and efficient use of resources
- Compliance with applicable policies, procedures, laws and regulations
- The safeguarding of assets and interests from losses of all kinds, including those arising from fraud, irregularity and corruption
- The integrity and reliability of information, accounts and data

Accordingly, in the conduct of planned audits Internal Audit may:

- Carry out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year to be able to complete the Annual Internal Audit Report 2018/19 of the Annual Governance and Accountability Return (AGAR)
- Review the reliability and integrity of financial information and the means used to identify, measure, classify and report such information
- Review the means of safeguarding assets and, as appropriate, verify the existence of such assets
- Appraise the economy and efficiency with which resources are employed, identify opportunities to improve performance and recommend solutions to problems
- Review the established systems to ensure compliance with those policies, procedures, laws and regulations which could have a significant impact on operations, and determine whether the council complies
- Review the operations and activities to ascertain whether results are consistent with objectives and whether they are being carried out as planned

Subject	Requirements	Comments/Recommendations	Evidence
1. Proper Book-keeping	Type of cash book or ledger used	The Council uses Scribe.	
	Cash book kept up to date and regularly verified against bank statement	The cash book was regularly verified against the bank statement during the year, and reported to Council.	
	Correct arithmetic and balancing	The Scribe system should, if used in accordance with its operating instructions, ensure correct arithmetic and balancing. The monthly bank reconciliations, and comparisons of income/expenditure against budget reported regularly to Council confirm the accuracy of the system.	
2. Financial Regulations & Standing Orders	Evidence that standing orders have been adopted and reviewed regularly	Reviewed 28 th November 2019.	Minutes of Full Council 28 th November 2019 (Minutes 10(d)).
	Evidence that Financial Regulations have been adopted and reviewed regularly	Reviewed 28 th November 2019	Minutes of Full Council 28 th November 2019 (Minutes 10(d)).
	Evidence that a Responsible Financial Officer has been appointed with specific duties	Appointed at Full Council on 27 th June 2019. Recommendation: That this becomes a standing item for the Annual Meeting of the Council.	
	Evidence that Financial Regulations have been tailored to the Council	Yes. However the amount the Clerk is authorised to incur in an emergency (para 4.5) does not reflect the likely cost of even a minor emergency, and should be reviewed. Although this was addressed for the COVID19 emergency it needs a review for the Council's normal operation Recommendation: That the Council reviews (upwards) the sum in paragraph 4.5.	
3. Payment controls	Supporting paperwork for payments, and appropriate authorisation	Payments were supported by invoices or payslips. Lists of payments to be authorised were submitted to Council/Committee and included in the minutes published on the website Not all supporting invoices bore two Councillor signatures. Although not required by Financial Regulations this is good practice. Recommendation: That the Council ensures the process of all invoices for payment being initialled or signed by the Councillors signing the cheque or authorising the bank payment is implemented for all invoices. All sampled cheque stubs were initialled by two Councillors, as per Financial Regulation 6.4.	
	Internet Banking transactions properly recorded/approved	Payments were supported by invoices or payslips. Lists of payments to be authorised were submitted to Council/Committee and included in the minutes.	
	VAT correctly identified and reclaimed within time limits	VAT was being claimed correctly and promptly.	
	Has Council adopted the General Power of Competence and is it being correctly applied?	No	
	S137 separately recorded, minuted and within statutory limits	Yes. The limit is £8.12 per elector and the total spend was only £110.00.	
	Section 106 Monies recorded, minuted and accounted for	There was no evidence of S106 monies being received or spent. The unspent balance from previous years has been moved to earmarked reserves but needs monitoring to ensure it is spent, and used, in accordance with the Section 106 Agreement. Recommendation: The Council receives a six-monthly report on its Section 106 monies, indicating the terms for its use, and the deadline for its spend.	
	Payments of interest and principal sums in respect of loans, are paid in accordance with agreements	Yes. Six-monthly payments were made.	

4. Risk Management	Is there evidence of risk assessment documentation?	The Council is now using LCRS to record and document its risks and action plans but there has been no documented action on this since autumn 2019. Recommended: That the Council reviews its risk assessments as a matter of urgency	
	Evidence that risks are being identified and managed.	No positive evidence. Minute of Full Council meeting refers to 16 outstanding risks but no further action evident. Recommendations: That the LCRS software be continued to used. That the risks on that software are reviewed and updated annually, with a report to Council. That safe methods of working be introduced, to include tasks undertaken by others (e.g. gravedigger) on Council's property/land.	
	Appropriate Insurance cover in place for employment, public liability and fidelity guarantee.	There was appropriate insurance cover in place during 2018/19 (Employers liability £10m, Public Liability £10m and Fidelity Guarantee £325k), but early in 2020/21 the Council's balances will exceed the Fidelity Guarantee limit. Recommendation: That the Council urgently increases its Fidelity Guarantee Insurance cover.	
	Evidence that insurance is adequate and has been reviewed on an annual basis	The Insurance was not reviewed by Council before its renewal in June 2019, or if it was it was not minuted as having done so. Recommendation: The Council reviews its insurance cover ahead of renewal in June 2020 and minutes its review	
	Village Hall Insurance	The insured values for the Trust's properties seem very low and a review of the costs of clearing the site and rebuilding in the event of a catastrophic event should be undertaken. Recommendation: That the Council asks the Management Trustees to increase the insured values of the Trusts' property.	
	Evidence that internal controls are documented and regularly reviewed	The Council received an interim review in 2018/19 with a full review scheduled for June/July 2019. There is no reference in the minutes to that review having occurred. Recommendation: That the Council reviews its internal controls and corporate risks on an annual basis.	Full Council meeting held 28 th March 2019
	Evidence that a review of the effectiveness of internal audit has been carried out during the year	Yes Independently reviewed and reported to Council 31 st October 2019.	
5. Budgetary controls	Verifying that the budget has been properly prepared, and agreed	The budget was properly prepared and agreed.	Full Council on 31 st January 2019 (Minutes 338(5)).
	Verifying that the Precept amount has been agreed in full Council and clearly minuted	The precept amount was agreed and clearly minuted.	Full Council on 31 st January 2019 (Minute 338(5))
	Regular reporting of expenditure and variances from budget	Regularly reported to Council.	
	Reserves held General and Earmarked.	£46,296.49 general and £77,250.00 earmarked reserves. The Council has no staffing reserve. Given its staffing difficulties in recent years, and looking to the future a minimum staffing reserve equal to six months full, and six months half, pay of its highest earning employee is recommended. In addition the overall level of reserves seems low for a Council with assets such as Stanway Parish Council.	
		Recommendation: That the Council establish a suitable level of staffing reserve to cover future staff illnesses and absence, and reviews it future reserve requirements as part of its budget review for 2021/22..	

6. Income controls	Is income properly recorded and promptly banked?	Yes	
	Verifying that the Precept recorded agrees to the Council Tax Authority's notification	Yes	
7. Petty Cash	Is a petty cash in operation?	No	
8. Payroll controls	Do all employees have contracts of employment?	Yes	B Cooper contract dated 1/9/15 A Ward contract dated 18/2/10
	Do salary payments include deductions for PAYE/NIC? Is PAYE/NIC paid promptly to HMRC Is there evidence that the Council is aware of its pension responsibilities	The Council used a third party payroll system. PAYE and N.I. deductions were being made. PAYE/NI payments are made promptly to HMRC. The Council has not implemented the decision of the European Courts that holiday pay should be based on the average weekly earnings of its employees. This affects particularly, but not exclusively, the Maintenance Worker and whilst that employee's hours have been increased to reflect their regular overtime this does not fully address the issue of holiday pay. Recommendation: That holiday pay of staff be based on their 13-week average hours prior to the holiday. The Council's Staging Date was 1 st January 2016. Despite the recommendation of the Internal Audit last year there is still no evidence that staff were notified of their eligibility, or otherwise, for the Council's pension scheme. However with	
		the office being closed it was unable to verify whether the requisite letters had been sent. Recommendation: That the Council ensures it notifies all staff of their rights regarding pensions.	
	Are other payments to employees reasonable and approved by the Council	Yes, mileage	
9. Asset control	Verifying the Council maintains an Asset Register in accordance with proper practises	The Asset Register is being maintained and recent purchases are included on it at the year end	
	Verifying that the Asset Register is reviewed annually	The Asset Register is reviewed annually	
	Cross checking of Insurance cover	The insurance cover reflected the Council's assets	
10. Bank reconciliation	Regularly completed, reconciled with cash book	Reconciliations are undertaken monthly and reported to Council	
	Confirm bank balances agree with bank statements	This is taking place monthly.	
	Regular reporting of bank balances at council meetings?	Bank balances are reported to each Full Council meeting..	
11. Year-end procedures	Appropriate accounting procedures used	Yes	
	Financial trail from records to presented accounts	Yes	
	Has the appropriate end of year AGAR documents been completed	Yes

13.Recommendations from previous external audit for the year ending 31 March 2018	Verifying that the external audit report has been considered by the Council	Yes, and actions agreed.	Full Council meeting held 26 th September 2019 Minute 11(d)
	Verifying that appropriate action has been taken regarding recommendations raised in reports from External Audit	Yes	Full Council meeting held 26 th September 2019 Minute 11(d)
14. Additional Comments	Annual meeting	Declaration of Acceptance of Office for the Chairman signed at the Annual Meeting	Full Council meeting 9 th May 2019
	Any trustee responsibilities	None.	
	Verifying that the Transparency Code for Smaller Authorities has been correctly applied	Not applicable. However the Local Government Transparency Code 2015 applies and is being complied with in full.

	Verifying that the Council is making progress towards meeting the General Data Protection Regulation requirements	GDPR Policy adopted. Password controls on computers. Personal files in secure storage. Unclear as to whether Council has fully recognised its responsibilities and implemented changes. Recommendation: That the Council reviews its document and data handling to more fully comply with the GDPR	Policy agreed at Full Council September 2018. Minuted at Corporate Governance and Finance Committee on 11 th September 2019 that GDPR still represented 9 outstanding risks to the Council. No further evidence of action since then.

2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- The balance brought forward from the previous year of £233,284 (Section 2, Box 1) does not agree to the prior year balance carried forward of £232,905 (Section 2, Box 7). The VAT reclaim of £380 should be reflected in Section 2, Box 3 of the current year column. Therefore, Section 2, Boxes 1 and 3 should read £232,905 and £18,356.
- The smaller authority has not restated the 2017/18 figure when revaluing assets in Section 2, Box 9. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority and the internal auditor have both drawn attention to some significant internal control issues that occurred during 2018/19 in their responses to the Annual Governance Statement assertions and the Annual Internal Audit Report objectives respectively. The internal auditor has also reported the issues in their detailed internal audit report. The Council has provided us with an explanation and the actions already taken to address the issues.

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2019/20 for the exercise of public rights, since the approval date was after the start of the period for the exercise of public rights. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2019/20 and ensure that it makes proper provision for the exercise of public rights during 2020/21.

3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
